

## Kubernetes Worker

The diagram illustrates the components of a Kubernetes Worker node. It is represented as a light gray 3D box. Inside the box, at the top, is the title 'Kubernetes Worker'. Below the title, there are three white rectangular boxes, each with a black border. The top-left box is labeled 'Docker Engine' and has two horizontal white bars on its left side. The top-right box is labeled 'Kubelet' and also has two horizontal white bars on its left side. The bottom-left box is labeled 'Proxy service' and has two horizontal white bars on its left side. The boxes are arranged in a 2x2 grid, with the bottom-right position empty.

Docker Engine

Kubelet

Proxy service
